

**EUROHEAT & POWER**

GUIDELINES: EHP/001 . CERTIFICATE: 01 / 06

**CERTIFICATE NO. 01/06**

This certificate is granted according to Euroheat & Power certification guidelines 001 for quality assessment of district heating pipes.

Product:	"Isoplus" preinsulated district heating pipes and fittings, single pipe system, with service pipes DN 20 – 1000 and casing pipes 90 – 1200 mm
Licensee:	Isoplus Fernwärmetechnik GmbH Schachtstrasse 28, D-99706 Sondershausen, Germany
Production plant:	Isoplus Fernwärmetechnik GmbH Schachtstrasse 28, D-99706 Sondershausen, Germany

The *certification body* verifies that these products comply with the requirements given in EN 253, EN 448 and Euroheat & Power certification guidelines 001 for quality assessment of district heating pipes.

The *licensee* is permitted to use the quality mark (see above) registered by the Euroheat & Power Certification Board for marking and marketing products mentioned in the certificate.

The certificate comprises pipes and fittings made from those PE and PUR raw materials mentioned in annex 1 to this certificate (confidential).

This certificate is valid only for the production plant mentioned in the certificate.

The certificate is issued for 3 years and it is valid provided that the extent, functioning and results of the manufacturer's quality surveillance and periodic testing of samples meet the specified requirements and that the licensee complies with the EHP guidelines 001 mentioned above. Every 3 years a new certificate will automatically be issued by the certification body.

This certificate is valid until 31.12.2010.

Borås, 21.11.2007
